Membership Instructions and Policies

Individual, Partnership, Corporate or Educational Institution

Please Note: No Membership can be written to a farm or business unless it is incorporated. Proof of incorporation must be furnished to our office before the membership can be processed.

- Membership fee: \$100.00 with an annual fee of \$39.00 thereafter.
- Complete the application for membership in the exact way you wish your membership to be written. Memberships **CANNOT** be written to anyone under the age of 18 (please request a youth membership application for anyone under the age of 18.)
- **Everyone** authorized to sign for the membership must **individually** sign the signature I.D. card.
- Mail the completed membership application, signature I.D. card and fee to: Belgian Draft Horse Corporation of America, PO Box 335, Wabash, IN 46992.
- **IMPORTANT-Membership privileges are not in effect until the membership has been processed. Membership privileges apply only to the entity in which the membership is written and cannot be combined with any other person or membership to create membership privileges. Additionally, persons cannot be deleted to maintain a membership entity. This applies to any animals owned prior to or after writing a membership. A membership written "or" or "&/or" simply means either person can sign, NOT that you can have animals in one name or the other and still maintain a membership entity. Animals not recorded in a membership entity are subject to a non-member fee. Failure to remit the annual fee by the deadline will cancel the membership and require the initial fee of \$100.00 be submitted once again to reinstate the membership.**
