

**® Belgian Draft Horse Alliance, Inc.  
2023 Scholarship Application**

Every year, the Belgian Draft Horse Alliance, Inc. awards scholarships to eligible students who are involved with the Belgian horse.

To be eligible for a scholarship, students must meet one of the following criteria:

- Enrolled in a college or university as a second semester freshman. This includes two-year community colleges.
- Enrolled in a technical or trade school (post high school) which provides training and certification for a skilled trade such as but not limited to farrier training, automotive training, agriculture training, allied health training, mechanical trade training. Approval by the scholarship committee is required.
